General, Organic, and Biological Chemistry, Loose-Leaf Edition (Loose-leaf)

By Laura D Frost, S Todd Deal

Pearson, United States, 2019. Loose-leaf. Condition: New. 4th ed. Language: English. Brand new Book. NOTE: This loose-leaf, three-hole punched version of the textbook gives you the flexibility to take only what you need to class and add your own notes - all at an affordable price. For loose-leaf editions that include MyLab(TM) or Mastering(TM), several versions may exist for each title and registrations are not transferable. You may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering products. For courses in General, Organic, and Biological Chemistry (1 - Semester) An integrated and applied approach to General, Organic, and Biological Chemistry General, Organic, and Biological Chemistry strengthens the evidenced strategy of integrating general, organic, and biological chemistry for a focused introduction to the fundamental connections between chemistry and life. The streamlined approach establishes a clear path through the content over a single semester. The text integrates essential topics more effectively than any text on the market, covering core concepts in each discipline in just 12 comprehensive chapters. With the 4th Edition, authors Laura Frost and Todd Deal apply their knowledge and experience in the science of learning to incorporate research and best practices based on...

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- Joshua Gerhold PhD

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

-- Meagan Roob
