Filesize: 1.19 MB

Reviews

It in a of the best book. Indeed, it really is play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Sofia Yundt)

JIHAD!: UNDERSTANDING THE THREAT OF THE ISLAMIC STATE TO AMERICA (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. The dramatic rise of the Islamist State (IS) in 2014 spelled a game changer in the West's fight against Islamic jihad. From its origins in Afghanistan and Iraq under the leadership of Abu Musab al Zarqawi, and its announcement of the new Islamic Caliphate under the self-proclaimed caliph Abu Bakr al Baghdadi, to its rapid proliferation throughout the world, IS has become the standard bearer for global jihad and the purest expression of Islam on earth today. Its motives spring from pure devotion to Allah and shariah, and its methods are primitive, brutal, and unforgiving. Jihad! Understanding the Threat of the Islamic State in America provides an in-depth look inside the IS and reveals why it is a dangerous and imminent threat to the United States. During its short and infamous rise to power, IS has become a leader in the terrorist world, first operating covertly in the early years of the Syrian war, then capturing vast swaths of Iraq and Syria and announcing the establishment of the Caliphate. A feeble, collaborative effort by several Western nations did little to stop its advances. Even as IS lost nearly 40% of the territory to coalition air strikes on territories in Iraq and Syria that it had captured before 2016, the terrorist group intensified its expansion and international reach, perpetrating horrific acts of terror in twenty countries around the world, including France, Belgium, and the United States. The savagery of the Islamic State is legendary. From the rape and murder of children and the sexual enslavement of thousands of captured women, the savage executions of gays, the murder of their own soldiers by drowning, and burning or burying them alive, IS will be remembered in history alongside...
